

Tulsi Villa-2

Residential | Bholeshawar, Himatnagar, Gujarat | Completed Project

ABOUT PROJECT

Spacious villas designed for comfortable family living, surrounded by open green landscapes in Himmatnagar.

Tulsi Villa-2 is a gated community of independent villas planned around a central green spine. Every home is oriented for cross ventilation and morning light, with private parking, a landscaped setback and a terrace built for evenings outdoors. Internal roads, street lighting, underground drainage and rainwater harvesting were handed over with the homes, not promised for later.
